Canvas Tall Cabinet

Designed by Norm Architects

2020

Driven by an uncompromising devotion to natural materiality and form, the CANVAS COLLECTION echoes Norm Architect's seminal vision and distinctive design language. Released in 2020, the CANVAS TALL CABINET is a discrete, sophisticated solution for minimising household clutter.

The star feature of the CANVAS TALL CABINET is its series of sliding doors, designed to appear as separate elements yet bound together by a hidden handle, seamlessly tucked into the wooden groove. For a softer look, users can opt to add fabric panels to the outside of the doors, choosing between a soothing selection of muted, cohesive fabrics.
