

Utility Bar Stool

Designed by Lucian Ercolani 1956

A classic characteristic of traditional Windsor craftsmanship, the UTILITY BAR STOOL features tapered, outward-facing legs and a moulded ash seat that accentuates the stool’s agile build. Additionally, the UTILITY BAR STOOL boasts the iconic Windsor wedge & tenon joint — a trademark detail found in many of Lucian Ercolani’s early works.

Manufactured in solid ash, the UTILITY BAR STOOL is offered in nine bespoke finishes.
