

Pennon Large Table

Designed by Norm Architects

2019

Versatile and timeless, the organic curves of the PENNON LARGE TABLE are a tangible expression of Norm Architects' trademark Nordic minimalism. Designed in 2019, the oval form of the PENNON LARGE TABLE is a tactile and serene complement to a wide variety of contemporary living and dining spaces. Available in Ash and Walnut timber, the elemental warmth of wood is a soothing complement to the table's broad form. The Ash variation is offered in nine finishes.
