Reprise Upholstered Chair

L.ERCOLANI

Reprise Upholstered Chair

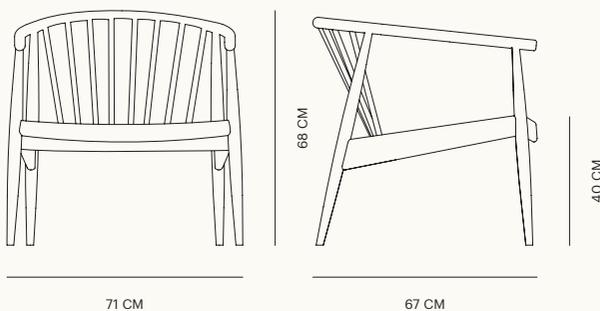

Designed by Norm Architects

2022

Brimming with elevated architectural references, the REPRISÉ UPHOLSTERED CHAIR is an effortlessly graceful seating solution with a refined, subtle presence. Launched in 2020, the chair is a collaborative effort between L.Ercolani and Norm Architects.

With roots dating back to 1944, the chair's seamless silhouette is achieved by steam-bending a single piece of timber to create a sinuous, uninterpreted line that stretches all the way around the backrest. Offered in both solid Ash and Walnut timber, the REPRISÉ UPHOLSTERED CHAIR is a soothing addition to the contemporary collector's home. The upholstered seat cushion is offered in a variety of harmonious textiles and colour-palettes. The Ash variation is available in a range of nine bespoke finishes. A back cushion is offered as an additional extra.
